INDEPENDENT AUDITORS' REPORT

To the Directors of SANTROPOL ON WHEELS INC.

We have audited the accompanying financial statements of SANTROPOL ROULANT INC. / SANTROPOL ON WHEELS INC. which comprise the balance sheet as at December 31, 2010, and the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements - Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material missatement, whether due to fraud or error.

Auditor's Responsibility - Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis For Qualified Opinion - In common with many non-profit organizations, the organization derives revenue from donations the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the organization's records and we were not able to determine whether any adjustments might be necessary to donations, excess of revenue over expenses, current assets and net assets.

Qualified Opinion - In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of donations referred to in the previous paragraphs, the financial statements present fairly, in all material respects, the financial position of SANTROPOL ROULANT INC. / SANTROPOL ON WHEELS INC. as at December 31, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The accompanying notes form an integral part of the financial statements

1. STATUS AND PURPOSE OF THE ORGANIZATION

The organization was incorporated under the Canada Corporations Act and is a registered charity. Its main goal is to prepare and deliver healthy meals to individuals dealing with a temporary or permanent loss of autonomy. It also organizes recreational and social activities for its clients.

2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the organization are the following:

Accounting estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Revenue recognition

The organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Self-financing

Revenues from self-financing activities are recognized when the services are rendered or when the events have taken place.

Term deposits

Term deposits are recorded at cost.

Capital assets

Capital assets are recorded at cost. They are amortized over their estimated useful lives using the declining-balance method at the following annual rate:

Building	5%
Office and kitchen equipment	20%
Computer equipment	30%
Vehicles and bikes	30%

Benefit and fund raising events

The revenues from benefit and fund raising events includes contributions considered as donations.

3. TERM DEPOSIT

The term deposit matures June 2, 2011 and bears interest at the rate of 0.15% per annum.

		\$ <u>2,978,745</u>	\$ <u>114,873</u>	\$ <u>2,863,872</u>	\$4,210

As part of the Organization's long-term plans, a building was purchased in 2008. This building was renovated and the Organization moved in during the year. The goal being to use the new space, to further the work of the Organization and to grow its programs and impact on society.

Funds raised towards the cost of the building are included in deferred grants for capital assets and are being amortized at the same rate and method as the building (see Note 9).

6. BANK CREDIT LINES

ACCOUNTS DECETUABLE

The Organization has the following authorized credit lines:

Caisse d'économie solidaire Desjardins - maximum \$500,000 at prime rate plus 2.0%. The line of credit is guaranteed by a second mortgage on the land and building as well as a floating charge on all assets present and future. The credit agreement includes a covenant whereby the ratio of interest coverage and the current portion of long-term debt of 1.25:1 be maintained. The Organization satisfied this requirement.

Canadian Imperial Bank of Commerce - maximum \$21,000 at prime rate plus 1.5%, secured by a term deposit in the amount of \$23,515.

7.	ACCOUNTS PAYABLE	_2	2 0 1 0		
	Suppliers Sales taxes payable Salaries and fringe benefits	\$ 	5,312 - 6,622	\$	9,902 89,350 1,169
		\$	11,934	\$ _	100,421

8. DEFERRED CONTRIBUTIONS

Deferred contributions represent funds not yet spent that, under funding agreements with partners, are allocated to cover costs for activities in a subsequent year.

9.	DEFERRED	GRANTS	FOR	CAPITAL	ASSET	'S	_ 2 0	1 0	2 0	0 9
			_	Grants	A	accumulated Amort- _ization_	Net	Book lue	Net <u>V</u> a	Book

			\$ 1	<u>,898,367</u>	\$	39,964	\$ <u>1,85</u>	8,403	\$	1,041

Deferred grants for capital assets are amortized at the same rates as the assets to which they relate (buildings at 5% and vehicles at 30%).

10.	LONG-TERM DEBT	2010	2 0 0 9
	Term loan, interest at the Caisse d'économie solidaire Desjardins' prime rate plus 1.9% pe annum, interest and principal payable in equal monthly instalments of \$3,070. The loan is amortized over 20 years with an initial term of 3 years, secured by a mortgage on land and building.		\$ -
	Unsecured loan, non-interest bearing and without fixed maturity.	350,000	-
	Balance of sale, refinanced during the year.	-	432,242

	Peacock Family Foundation		10,000		-
	Others	-	87,587		103,233
		\$_	278,523	\$	278,233

12. CONTRIBUTION OF GOODS AND SERVICES

The organization benefits of the right to use a car for a period of three years. The cost to the organization is less than the true value of the automobile. The excess which is assumed by the Nissan Foundation is accounted for in revenue from foundations and organizations.

In addition, the organization receives donations of packaging materials and food for its Meals on Wheels activities. This type of donation is accounted for at its true value in revenue from private companies.

The organization could not fulfill its mission without the gift of a great deal of time and energy from volunteers. Due to the complexity involved in counting these hours, volunteer services are not accounted for in these financial statements. If it were possible to determine the monetary value of these services, the amounts would have been recorded in the appropriate revenue and expense captions.

13. FINANCIAL INSTRUMENTS

The organization's financial assets and financial liabilities are held for trading.

Fair Value

The fair value of short term assets and short term liabilities is approximately equal to their carrying value due to their short-term maturity date. Fair values are based on estimates, and as such, the financial instruments may not be realizable at the amounts indicated if they were settled immediately.

Interest rate risk

The organization manages its temporary investments according to its cash requirements and in order to maximize its interest revenues. The average interest rate earned on the temporary investments during the year was 0.2%.

13. FINANCIAL INSTRUMENTS (continued)

Credit Risk

The organization continuously evaluates all of its accounts receivable and records a provision for doubtful accounts when the accounts are considered unrecoverable.

14. RELATED PARTY

Santropol Roulant Inc. is the sole member of Santropol Roulant (Québec) Inc., a non-profit organization incorporated under the laws of Québec, and elects all of its officers and directors. Santropol Roulant (Québec) Inc. has appointed Santropol Roulant Inc. as its exclusive agent to carry out all of its obligations under any grants awarded to it. This year and the previous year, no grant has been awarded to Santropol Roulant (Québec) Inc., and it has no other activities.

15. CASH FLOWS

A cash flow statement has not been presented as it would not provide any additional useful information in understanding the cash flows for the year.

16. FUTURE ACCOUNTING CHANGES

Financial statement concepts

CICA Handbook Section 1000, "Financial Statement Concepts," was amended to take into account the capitalization of costs that substantially satisfy the definition of an asset, with less focus on the matching principle.

17. CAPITAL DISCLOSURES

The organization defines capital as being comprised of balances invested in capital assets restricted and unrestricted balances. The organization is not subject to externally imposed requirements on capital.

The organization manages its financial resources to achieve its objectives with respect to the services provided to its members. Management's objectives in managing capital are to hold sufficient unrestricted assets to enable it to withstand unexpected financial events, in order to maintain stability in the financial structure. The organization seeks to minimize reliance on financial leverage and to maintain sufficient liquidity to enable it to meet its obligations as they become due.
