

Lasting gifts and the Roulant

What is a lasting gift?

Choosing to include Santropol Roulant in your will allows you to plan ahead and continue to make a powerful, lasting impact on your community. This can be in the form of a one-time donation from your estate, or by making Santropol Roulant a beneficiary of an established trust.

Why include a gift to Santropol Roulant in your will?

Leave a legacy: By making a gift in your will, you continue to impact the community you care about. Making the Roulant a beneficiary of a trust gifts us stability and allows us to rely on your impact for years to come.

Stability: Planning ahead allows you to feel confident that your estate will be handled as you would like.

Tax benefits: Leaving a charitable gift in your will can have tax benefits for the remainder of your will, allowing you to better support your loved ones.

Thank you for considering including Santropol Roulant and our community in your will. To learn more about this process, please get in touch with Melanie.
